NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that the SLD and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to Applicants and Service Providers the status of individual discount funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

1. An FRN that is "Funded" will be approved at the level that the SLD determined is appropriate for that item. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds will be committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision," and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connection requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on Form 471.

EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT: The first possible date of service for which the SLD will reimburse service providers for the discounts for the service.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a will be listed. This will appear only for "site specific" FRNs.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service provided in the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse service providers for the approved discounts for this service for this funding year. It is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry may amplify the comments in the "Funding Commitment Decision" area.

4. Provide an authorized signature on your letter of appeal.

If you are submitting your appeal on paper, please send your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 80 South Jefferson Road, Whippany, NJ 07981. NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that the SLD and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to Applicants and Service Providers the status of individual discount funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

1. An FRN that is "Funded" will be approved at the level that the SLD determined is appropriate for that item. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds will be committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision," and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connections requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on Form 471.

EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT: The first possible date of service for which the SLD will reimburse service providers for the discounts for the service.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a will be listed. This will appear only for "site specific" FRNs.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service provided in the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.
